COACH TOM'S CORNER

I was born and raised in Southern California. I moved to Austin and attended the University of Texas where I graduated with a degree in History. I started swimming when I was little in our backyard pool and moved on to swimming for El Segundo High School. Like many of our Dolphin Coaches, I started out coaching summer league swimming and stayed involved with swimming recreationally through college. I have been the swim coach at Round Rock High School and of the Dolphins for the past ten years. I enjoy working with the kids - they keep me young however sometimes give me gray hair. My philosophy regarding swimming is to work hard to achieve your goals but above all else you also have to swim because you love it and not for any other reasons.

My wife Nancy and I were married in Hawaii and would love to get back there someday. We have two daughters and a brand new baby boy. In my spare time I enjoy hanging out with my family, reading, gardening, watching movies, learning to play the guitar and ukulele and eating Mexican food.

President's Perspective

Dear Dolphin Families,

It has been three days since the Awards Ceremony and I think I'm going through Dolphin withdrawal. I miss seeing the Coaches at the pool, the sound of the kids in the water and chatting with friends. Of course, I've also slept in and caught up on laundry--did anyone else besides Melissa Wheeler and I experience the massive amounts of towels that seemed to multiply with the season?

All laundry aside, as I look back on the season I am reminded of what a great community we are. We come together for 12 weeks to swim, have fun, make friends, renew old friendships and make great times happen both in the pool and out of it. I'm proud of all of our swimmers and our coaches who have so much fun while at the same time accomplishing so much in the pool.

I have been with the team for eight years now and your President for two of them. I look forward to my last and final year as President in 2011. By then, the board and I hope to have written everything down that we can think of (a massive Timeline of Events and the Muddy Pits Plan comes to mind) so that I can hand off the Office of the Presidency to our next great and fearless leader.

Thank you for sharing your life, your kids and time with us for the past three months. Enjoy the rest of your summer and don't forget to fill out the survey so we can make our season even better for next year.

And, as always, see you at the pool!

Kara Ritthaler
